

Dear Kathy & Ben,

Others understand  
the very special place  
animals have in our hearts  
and in our lives...

No words can express the deep  
love & regret we had for Rambo.  
We surely will miss his  
presence in the fields but  
his spirit lives on & he will  
be there unknown to us.  
Kathy you gave him the best  
life possible & I know he was  
grateful.

Nana loved Rambo & always  
called him my goat. May  
God give you both peace and  
joy in your hearts as you care  
for all God's creatures. God  
Bless you both always,  
Love Mom & Dad

May you find comfort  
knowing your cherished pet  
had a wonderful life  
because of you.

Our Deepest Sympathy  
on the loss of your beloved  
Rambo. He was the greatest!  
Such love which shown in  
his eyes will never be  
forgotten. I'm happy I was there  
to administer the meds & food  
in his last hours of life.
